

BREAK THE CHAIN

PROJECT RESULT 2: WEB APP

Infographic #2
November 2023

WHAT'S INSIDE THE WEB APP?

More than **120 interactive activities** in the form of **text, videos or quizzes** on the topic of **fake news and disinformation** and the ways how to detect them, organized into three categories:

- **Disinformation: Theoretical part + Disinformation: Practical part** for adults seeking to learn about **fake news and disinformation**
- **Specifics of teaching older adults** for media literacy trainers working with adults aged 55+

Complex overview of the topic including the explanation of human susceptibility to disinformation

KEY FEATURES

- **Filters** to personalize your learning experience (category, form or activity duration)
- **Activity Completion** to keep track of your progress as you conquer each learning milestone
- **Notifications** with activity recommendations based on your preferences
- **Rating & Favorites** to mark favourites for quick access
- **User Profile** with your achievements and interactions, providing a comprehensive view of your journey

INNOVATION AT YOUR FINGERTIPS

- **Web app** empowers you to select activities that match your unique needs.
- **Personalized learning** pathways ensure you acquire knowledge that truly matters to you.

IMPACT THAT MATTERS

- **Appealing design** transforms learning into an **interactive and enjoyable experience**.
- With **personalized learning paths**, you'll master the art of discerning real news from fake in a fun and engaging way.

TRANSFERABILITY FOR EVERYONE

- Accessible from **any device** with an internet connection.
- No need for installation - accessible on Break the Chain website
